I am submitting my binding application concerning the participation in the above mentioned education in Oral Surgery / Implantology.

I am aware that there are additional fees to be paid for the clinical cases of the training program and that neither the cost of implants and prosthesis nor the internship or supervision costs are included in the course fee. The legal and contractual regulations detailed in the program brochure become the basis of this application and as such are an integral part of the contract. With regard to course topics, the issues detailed in the program brochure are considered as agreed between the concerned parties. However, it must be noted again that changes and amendments beyond the scope shown there in can be made at the sole discretion of the organizers.

I will submit my examination qualification in English translation to the board of directors.
